

Home Performance with ENERGY STAR®

Dear New York Home Performance Contractors:

Please read the information below regarding important Home Performance with ENERGY STAR cooperative advertising announcements.

Submission Reminders

All 2014 cooperative advertising MUST be submitted to CSG no later than March 31, 2015, otherwise the co-op package will be denied. As a general reminder, all required documentation/invoices for cooperative advertising incentives must be submitted within three (3) months of run dates. Any documentation/invoices submitted after three (3) months of the run date will be denied.

When submitting your cooperative advertising packages, please make sure your packages are complete with an invoice verifying payment to the advertiser or payment verification (canceled check or bank statement). Please refer to the document link below that details the documentation required for submitting cooperative advertising packages for incentives.
