

NYSERDA

Home Performance with ENERGY STAR®

September 28, 2016

Dear Participating Contractors and Interested Parties:

This is a reminder that the previously announced changes to the Assisted Home Performance with ENERGY STAR cap will soon go into effect for applications submitted to EFS on or after October 1, 2016. The maximum Assisted Home Performance with ENERGY STAR Subsidy changes to \$4,000 for a single family home and up to \$8,000 for a 2-4 family home.

NYSERDA has [previously announced](#) incentive changes to Assisted Home Performance with ENERGY STAR Program and full details on these changes are available at on the [Contractor Support Website](#).

We have created a detailed explanation of these key dates, which is available at <http://hpwescontractorsupport.com/transition-of-the-single-family-residential-programs>.

The [webinar](#) from August as well as an updated [Q&A page](#) are also available online.

If you have any questions regarding any program policies or procedures, please contact your Account Manager and contractorsupport@clearResult.com.

Thank you for your continued support of the Home Performance with ENERGY STAR Program.

Sincerely,

The Home Performance with ENERGY STAR Team

About NYSERDA

NYSERDA, a public benefit corporation, offers objective information and analysis, innovative programs, technical expertise, and funding to help New Yorkers increase energy efficiency, save money, use renewable energy, and reduce reliance on fossil fuels. NYSERDA professionals work to protect the environment and create clean-energy jobs. NYSERDA has been developing partnerships to advance innovative energy solutions in New York State since 1975.
