June 26, 2017

NY Residential Existing Homes Programs Annual Training Meetings July 2017

NYSERDA will be holding annual training meetings with participating EmPower New York and Home Performance with ENERGY STAR® contractors. We'll get together to review program successes, discuss future opportunities, review technical updates, and have in-depth conversations on various topics during breakout sessions. Breakfast, check-in and networking will begin at 9:30 a.m. Meetings will proceed from 10:00 a.m. to 3:00 p.m. Awards to outstanding contractors will be presented during lunch.

This year's schedule for regional meetings is as follows:

Tuesday, July 18, 2017

DoubleTree by Hilton Syracuse
6301 State Rte 298
East Syracuse, NY 13057

Wednesday, July 19, 2017

Holiday Inn Mt. Kisco
1 Holiday Inn Dr.
Mt. Kisco, NY 10549

Thursday, July 20, 2017

Holiday Inn Express & Suites Latham
400 Old Loudon Road
Latham, NY 12210

Tuesday, July 25, 2017

Terry Hills Golf Course and Banquet Facility
5122 Clinton Street Road
Batavia, NY 14020

These trainings are intended for staff most involved in the day-to-day operations of the programs. Please RSVP to John McKnight at 518-862-1090 x3253 or John.McKnight@nyserda.ny.gov and let us know the names of the staff who will be attending and at which location. You must respond no later than four (4) business days prior to the event. Space is limited and NYSERDA reserves the right to limit the number of attendees per company.

We hope you will participate in a survey to provide us with training requests, as they are critical to shaping a meaningful agenda for this and future meetings. You can access the survey at <https://www.surveymonkey.com/r/795DVKV>.

We look forward to seeing you at one of these meetings and hearing your thoughts as we continually work together to grow the home performance industry.

About NYSERDA

NYSERDA, a public benefit corporation, offers objective information and analysis, innovative programs, technical expertise, and

funding to help New Yorkers increase energy efficiency, save money, use renewable energy, and reduce reliance on fossil fuels. NYSERDA professionals work to protect the environment and create clean-energy jobs. NYSERDA has been developing partnerships to advance innovative energy solutions in New York State since 1975.
