# CLEAResult

August 7, 2015

Dear Participating Home Performance Contractors and Program Partners,

We are pleased to announce that Conservation Services Group (CSG) has been acquired by CLEAResult. Please expect to see the CSG name, logo, email address, and brand to be phased-out and replaced with the **CLEAResult** brand over the next several weeks.

While our name will be changing, there will be no disruptions to our operations or impact on your daily activities. With this transition we would expect the service and support we provide you to only improve. Our program teams will remain the same, as will your daily contacts. If you have any questions or concerns please get in touch with me or your Account Manager. You may also [read our press release](#) for more information about CLEAResult and this transaction.

We look forward to working with you, now as CLEAResult.

Sincerely,

**Dave Beaulieu**
