Re: Extension of Participation Agreements

Dear Participating Home Performance with ENERGY STAR Contractors:

The current Home Performance with ENERGY STAR® (HPwES) Participation Agreements expire on December 31, 2015.

NYSERDA is extending these agreements with all Participating Contractors in good standing through March 31, 2016. **No action is required on your part** to continue to your participation.

During this time, the terms and conditions of the current Participation Agreement will remain in effect through March 31, 2016. Participating Contractors will be required to abide by the terms and conditions of the Participation Agreement in order to remain in good standing with HPwES.

Should you no longer wish to participate in HPwES, or if you have any objection to continuing to participate in HPwES through March 31, 2016 under these same terms and conditions, please provide notice to NYSERDA by emailing hpwes@nyserda.ny.gov.

We look forward to your continued participation.

Sincerely,

Cheryl Glanton
Director, Contract Management
