

## Home Performance with ENERGY STAR®

Dear Participating Home Performance Contractors and Program Partners,

Conservation Services Group is pleased to announce the launch of a newly redesigned New York Home Performance with ENERGY STAR (HPwES) Contractor Support website, accessible online at: <http://hpwescontractorsupport.com>

The updated website was designed using feedback from participating Home Performance contractors, NYSERDA, and various industry partners in an effort to provide a comprehensive and intuitive resource for sharing information on NYSERDA's HPwES Program. A variety of features have been incorporated into the site including an improved Program file management with lists of the popular documents, an events calendar, search functionality, a catalog of webinars and training videos, and much more.

Additional updates will be rolled out in the coming weeks and months, including a user-populated frequently asked questions (FAQ) section.

Please be sure to visit and bookmark the new site. Please contact CSG Field Manager Bou Reed at [boujeloud.reed@csggrp.com](mailto:boujeloud.reed@csggrp.com) with any feedback or suggestions on site improvements.

Thank you.

About NYSERDA

NYSERDA, a public benefit corporation, offers objective information and analysis, innovative programs, technical expertise, and funding to help New Yorkers increase energy efficiency, save money, use renewable energy, and reduce reliance on fossil fuels. NYSERDA professionals work to protect the environment and create clean-energy jobs. NYSERDA has been developing partnerships to advance innovative energy solutions in New York State since 1975. To learn more about NYSERDA's programs and funding opportunities, visit [nyserda.ny.gov](http://nyserda.ny.gov) or follow us on [Twitter](#), [Facebook](#), [YouTube](#), or [Instagram](#)
