

NYSERDA

Home Performance with ENERGY STAR®

Dear Participating Home Performance Contractors,

On March 2nd, 2015 a webinar was held introducing the launch of the Centralized Partner Support Plan. A copy of that recorded webinar and slide deck is located on the [Contractor Support Site](#). As a reminder, please register for an additional webinar scheduled for **March 30th, 2015 from 3:30 to 5pm** featuring advanced user training, a deeper dive into the processes affected by this transition as well as robust Q&A session. [Click this link to register.](#)

When you register for the webinar, you will be presented with a series of questions. In order to ensure this training webinar is as robust as possible, we encourage you to provide feedback for areas of the Help Center you'd like to learn more about with advanced training.

For questions or feedback please feel free to contact CSG's Partner Services Manager, Bou Reed at boujeloud.reed@csgrp.com. We are confident that this new initiative will serve your needs and look forward to working with all of you to help ensure the continued growth and success of the Home Performance with ENERGY STAR Program in New York.

Thank you.
