

Introducing the NY Home Performance Portal

The new program management tool for NY Home Performance with ENERGY STAR®

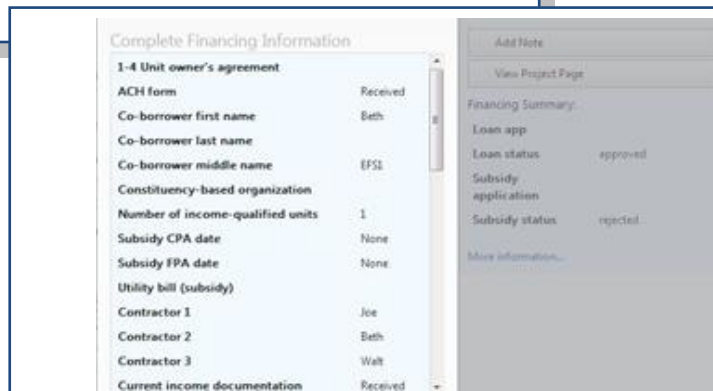

Guided Program Workflow Management Tool

- ✓ Faster approval times
- ✓ Transparency/visibility into projects
- ✓ Elimination of faxed documents

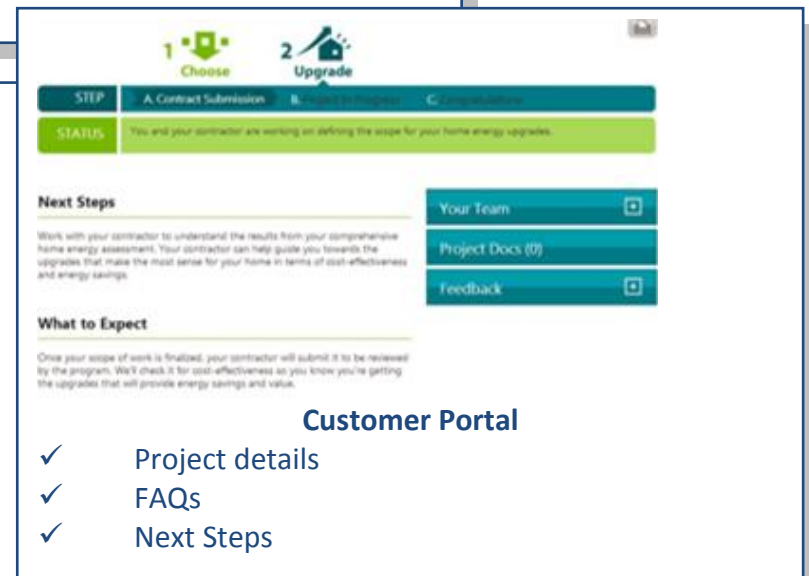

Web-based Eligibility Screening Tool

- ✓ Less data entry – many fields pre-populated
- ✓ Real-time feedback
- ✓ What-if scenario (limiting number of re-models)

Integration with EFS's Finance System

- ✓ Finance status
- ✓ Customer and contractor visibility

Customer Portal

- ✓ Project details
- ✓ FAQs
- ✓ Next Steps
