

# **On-Bill Recovery Loan, Smart Energy Loan, and Assisted HPwES Subsidy Webinar**

Nov. 13, 2013

NYSERDA welcomes participating HPwES contractors and partners to participate in an upcoming financing webinar on November 18th, 2013 from 3:30pm to 5:00pm. The webinar will provide best practices for assisting your customers through the application and approval processes for the On-Bill Recovery Loan, Smart Energy Loan, and Assisted Home Performance with ENERGY STAR subsidy. The session will present guidance on completing the updated Smart Energy Loan documents and will also announce a new phased loan initiative designed to provide cash flow relief to contractors who complete multi-phase conversion projects.

Dan Streit, Program Manager for Energy Finance Solutions (EFS), and Kate Howard, GJGNY Outreach Program Manager for People United for Sustainable Housing Buffalo, will provide an overview of best practices, loan requirements including Tier 2 Requirements, federal privacy law, as well as tips for working with homeowners to secure the necessary documentation.
