

## Home Performance with ENERGY STAR®

February 5, 2018

In the spring of 2017, NYSERDA issued RFQL3434 requesting responses from qualified Quality Assurance service providers to develop and implement quality initiatives in support of several NYSERDA residential and clean energy programs. Through that process, NYSERDA approved several proposers to provide support for quality services for more than one program category in multiple services regions. IBTS and Honeywell were two of the proposers selected.

Effective February 7, 2018, along with IBTS, Honeywell will start completing inspections as a third-party Quality Assurance Service Contractor providing field inspections for NYSERDA's Home Performance with ENERGY STAR® and EmPower New York programs throughout Region 2. Region 2 consists of the following counties: Broome, Cayuga, Chemung, Chenango, Cortland, Jefferson, Lewis, Madison, Oneida, Onondaga, Oswego, St. Lawrence, Tioga, and Tompkins.

If you have any questions about this announcement, please contact Amy Kasson, NYSERDA Program Manager for Standards and Quality Assurance at [Amy.Kasson@nyserda.ny.gov](mailto:Amy.Kasson@nyserda.ny.gov).

### **About NYSERDA**

NYSERDA, a public benefit corporation, offers objective information and analysis, innovative programs, technical expertise, and funding to help New Yorkers increase energy efficiency, save money, use renewable energy, and reduce reliance on fossil fuels. NYSERDA professionals work to protect the environment and create clean-energy jobs. NYSERDA has been developing partnerships to advance innovative energy solutions in New York State since 1975.
