## Home Performance with ENERGY STAR®

July 2, 2018

NY Residential Existing Homes Programs  
Regional Workshops: **Internal Quality Management (IQM): Avoiding Failed Inspections**  
**July 2018**

The NY Residential Existing Homes Program will be holding Internal Quality Management (IQM): Avoiding Failed Inspections regional workshops with participating EmPower NY and Home Performance with ENERGY STAR® contractors. Contractors will engage in developing an individualized IQM plan for their business and walk away with a framework they can begin using immediately as well as resources and information on industry best practices and implementing internal practices including staff training and monitoring. Refreshments, check-in and networking will begin at 8:30 a.m. The workshop will end at 1:00 p.m.
