

January 3, 2019

To all Participating Contractors:

Due to a technical issue, the 2019 ProForma Version 1.0 for Green Jobs - Green New York (GJGNY) Residential Loan Program applications are not yet available. Participating Contractors should continue to use the existing ProForma until further notice.

As you are aware, on December 6, 2018, NYSERDA announced that this new ProForma would be required beginning January 1, 2019. Currently, NYSERDA anticipates the update will be available by January 11. We are sorry for any inconvenience and thank you for your hard work.

Sincerely,

The NY Residential Existing Homes Team
