

January 17, 2019

Dear Participating Contractors,

NYSERDA will be holding two webinars at the end of January to answer questions about the upcoming release of the 2019-2020 NY Residential Existing Homes Program Participation Agreement. These webinars will provide a high-level summary of the Partnership Agreement and some of the key changes to the process and the Programs.

Webinars are scheduled for:

10:00 AM - 11:00 AM | Tuesday, January 29, 2019 - [Click to Register](#)

3:00 PM - 4:00 PM | Wednesday, January 30, 2019 - [Click to Register](#)

We encourage contractors to carefully read through the Participation Agreement prior to the webinars and to have your questions ready. We appreciate the time that you'll be taking out of your day and want to maximize it for questions.

-The NY Residential Existing Homes Teams

About NYSERDA

NYSERDA, a public benefit corporation, offers objective information and analysis, innovative programs, technical expertise, and funding to help New Yorkers increase energy efficiency, save money, use renewable energy, and reduce reliance on fossil fuels. NYSERDA professionals work to protect the environment and create clean-energy jobs. NYSERDA has been developing partnerships to advance innovative energy solutions in New York State since 1975.
