

NYSERDA

June 7, 2019

Dear Participating Contractors and Interested Parties,

Appliance vendors looking to provide services as an EmPower New York Appliance Vendor, must review and complete the [2019-2020 EmPower New York Appliance Vendor Agreement](#) (Agreement) and return to the Program at hpwes@nyserda.ny.gov.

For existing NYSERDA EmPower Appliance Vendors, your current Agreement period ends on **June 30, 2019**, and you must complete and return the 2019-2020 Agreement prior to **June 30, 2019**, if you wish to continue participation as an Appliance Vendor. Please indicate in your submission if you want NYSERDA to continue with your previously approved models and pricing. Otherwise, please complete [Attachment A](#) and return with your submission. Existing Appliance Vendors who don't complete and return the Agreement will not receive any new referrals after June 30, 2019, but they will be able to complete work assigned prior to that date.

For new contractors, please review and sign the [2019-2020 EmPower New York Appliance Vendor Agreement](#), complete [Attachment A](#), and submit to hpwes@nyserda.ny.gov.

Thank you for your continued support of the EmPower New York Program. If you have any questions regarding any program policies or procedures, please contact your Account Manager or email NYSERDA directly at hpwes@nyserda.ny.gov.

Sincerely,

David Friello, Senior Project Manager
