# NY Residential Existing Homes Programs

Annual Training Meetings  
2019

NYSERDA will be holding annual training meetings in early fall with participating EmPower New York and Home Performance with ENERGY STAR<sup>®</sup> contractors. We'll get together to review program successes, discuss future opportunities, review technical updates, and have in-depth conversations on various topics during breakout sessions.

To help NYSERDA staff create a meaningful agenda for this training, please take this opportunity to answer a brief survey. We want to know what topics interest you the most. To access the survey [Click Here](#).

We ask that all survey responses be submitted no later than Friday, August 2, 2019. Questions regarding this survey should be directed to [hpwes@nyserderda.ny.gov](mailto:hpwes@nyserderda.ny.gov).

We look forward to hearing your thoughts as we continually work together to grow the home performance industry.

Thank you,

NY Residential Existing Homes Team
