

## Program Goals

- Drive Market demand for residential energy efficiency.
- Reduce carbon and greenhouse gas emissions.
- Serve low- and moderate-income households with energy efficient measures, that otherwise would have gone without.
- Responsibly reduce financial hardship and inability to pay utility bills.

### Our Goal

To deliver high quality energy efficiency services to New York homes.

## Home Performance with ENERGY STAR® Audits

This past year we completed 11,751 Home Performance with ENERGY STAR® Audits, increasing from the previous year's total by over 500 audits.

**Audits Completed Statewide:  
Grand Total 135,791**

## Program Production Trends

This past year we completed a total of 19,454 projects, increasing by 22% compared to last year's project completion total of 15,900.

Of the 13,765 EmPower projects completed, 11,126 were EmPower HP and 2,639 were EmPower ER.

## Overall Energy Savings

Together we have served:

**287,535 Families**

- ➔ ~ 184,430,000 kWh
- ➔ ~ 50,847,000 therms
- ➔ ~ \$106 Million First Year Savings
- ➔ \$1,106,125,400 Total Value of Work

## Contractor and Partner Organizations

Participating Contractors: 181

Vendors: 11

Outreach Organizations: 10

# THANK YOU!

To all the hardworking people who make all that we do possible day-in and day-out  
– Thank you!
