

For the period of: 5/5/2022 to 5/11/2022

Dear Participating Contractors, Vendors, and Interested Parties:

To make it easier for you, we are combining program announcement notifications into one email from areas related to NYSERDA's small residential (1 to 4 family) energy efficiency programs. This week's announcement covers updates for the program(s) listed below.

- Assisted Home Performance with ENERGY STAR®
- EmPower New York
- Comfort Home
- Residential Energy Audit
- Residential Financing
- Clean Heating and Cooling
- Workforce Development
- Standards and Quality Assurance

Please read carefully to determine which notice(s) apply to your company. Some notices may be for programs your company does not participate in or pertain to you.

EmPower/AHP Invoice Timeline

To: EmPower/AHP Contractors, Stakeholders, NYSERDA & CR

Regarding Programs: EmPower New York & Assisted Home Performance with ENERGY STAR®

Summary: EmPower/AHP Invoice Timeline

Contact: support.residential@nyserda.ny.gov or 800-284-9069

Participating Contractors, Vendors, and interested partners,

Due to EmPower/AHP back-end system updates, there is a need to adjust incentive payment timing. One incentive invoice package will be processed this week on Thursday, April 21st and one incentive invoice package will be processed next week on Wednesday, April 27th. There will not be an incentive package the week of May 2nd. The invoice timeline will resume as normal the week of May 9th with 2 incentive payments processed a week.

April 21 package will include:

- EmPower invoices approved between April 14, 2022, and April 20, 2022
- Express Contract payments for invoices approved between April 11 and April 15
- Express Audit payments for invoices approved between April 7 and April 13.

April 27 package will include:

- EmPower invoices approved between April 21, 2022, and April 26, 2022
- Express Contract payments for invoices approved between April 16 and April 22
- Express Audit payments for invoices approved between April 14 and April 20

Week of May 2

- Invoices will be processed, but not submitted for payment.

Week of May 9 is expected to resume with two invoice packages per week:

- EmPower invoices approved between April 28, 2022, and May 9, 2022
- Express Contract payments for invoices approved between April 23 and May 6
- Express Audit payments for invoices approved between April 21 and May 4

We apologize for any inconvenience. We will notify you of any further delays. If you have any questions on this notice, please contact Contractor Support at:

Email: Support.Residential@nyserda.ny.gov

Phone: 800-284-9069

Sincerely,
NYSERDA's Single Family Residential Team

To: Participating EmPower NY Contractors and Interested Parties
Regarding Programs: NYS Healthy Homes Value-Based Payment Pilot
Summary: Opportunity for Contractors Serving Western NY and NYC
Contact: Matt Houle at Matthew.Houle@nyserda.ny.gov

The New York State Healthy Homes Value-Based Payment Pilot (Pilot) is being implemented as a partnership between the New York State Energy Research and Development Authority (NYSERDA) and the New York State Department of Health (NYS DOH). The Pilot seeks to deliver residential healthy homes interventions to 500 households in targeted regions of New York State over a two-year period. For the purposes of this Pilot, a healthy homes intervention is comprised of the following dwelling-based services: energy efficiency/weatherization measures, environmental trigger reduction measures, and home injury prevention measures. In tandem with these services, the intervention includes in-home visits from a Registered Nurse and the assignment of a Community Health Worker to support each Pilot household throughout the Pilot duration. When implemented, these combined interventions can improve occupant health, reduce energy bills, improve the comfort and safety of the home, and may result in healthcare cost savings for New York State.

The Pilot intervention is comprised of a full suite of in-unit measures. Additional detail about the possible services included is available in the [NYS Healthy Homes Value-Based Payment Pilot Addendum](#). Not all measures will be installed in every household. Each dwelling will be assessed for appropriate measures, subject to work scope review and approval by NYSEDA. Services can be delivered by Participating Contractors or their subcontractors. Approximately \$6.1 million is available for the completion of these projects.

NYSEDA is seeking Participating Contractors serving the counties listed below who meet the qualifying criteria outlined in this Addendum. These Participating Contractors shall have the technical and administrative capacity to deliver the dwelling-based services included in the Pilot intervention. Dwelling-based services can be delivered by Participating Contractors or their technically-qualified subcontractors. NYSEDA anticipates referrals to be provided under this Addendum between March 2021 and June 2023. Dwelling-based services will be delivered within some or all of the following counties, which have been identified by NYS DOH as regions of the State with high asthma burden that will also be served by Pilot-participating Medicaid managed care organizations:

- Chautauqua County (Western NY)
- Erie County (Western NY)
- Niagara County (Western NY)
- Bronx County (The Bronx)
- Kings County (Brooklyn)
- New York County (Manhattan)
- Queens County (Queens).
- Richmond County (Staten Island)

Participating Contractors seeking consideration for this offering should complete and submit the [NYS Healthy Homes Value-Based Payment Pilot Addendum](#) to no later than **November 30, 2022**.

Due to the nature of this offering and target households served, NYSEDA will provide all referrals to contractors. Customers may not be referred into the program by Participating Contractors or outreach organizations. This offer should not be advertised or promoted in order to recruit additional participants. Further, customers may not receive funding for the same measure from other programs.

Please contact Matt Houle at Matthew.Houle@nyserda.ny.gov if you have any questions about this offer.

If you have any questions please contact your account manager or reach out to us at resmarket@nyserda.ny.gov.

Thank you,
The NYSERDA Single-Family Residential Team
