Customer affirmation – read and sign after work is complete.

Please read the following statements before signing. By signing this document, you are attesting that all work has been completed pursuant to EmPower+ process. If any part of the work has not been completed, please indicate below. If you have any questions or concerns about any aspect of the work performed, you should resolve them with the Participating contractor BEFORE signing the form.

Warranty

Participating Contractor warrants that the work and the equipment furnished through this project comply with the requirements as outlined in the Contractor Participation Agreement with NYSEERDA. In the event that any defect in workmanship or equipment is discovered within one (1) year after payment authorization, the Contractor will remedy, repair, correct, or cause to be remedied, repaired, corrected, or replaced at the Participating Contractor's expense such defect in equipment or workmanship. The foregoing warranty survives any inspection NYSEERDA may elect to make.

Lien Waiver

Work and equipment covered by a GJGNY Loan or EmPower+ incentives: Participating Contractor hereby waives and releases any and all lien or claim of, or right, to lien, under laws relating to mechanics liens with respect to and on the property referenced above. Work and equipment not covered by a GJGNY Loan or EmPower+ incentives: Said waiver does not apply to any work and equipment furnished in this installation that is not funded by a GJGNY Loan or EmPower+ incentives. Any costs incurred by customer exceeding the sum of the GJGNY Loan and the EmPower+ incentives or financed by any means other than a loan through a GJGNY loan or through EmPower+ incentives, are subject to a mechanics lien or claim under applicable laws relating to mechanics liens with respect to the project ID (s)referenced on page 1.

Customer Affirmation

Customer's Acceptance of Work Scope. The energy efficiency upgrades included on the construction contract (work order, job order, bid summary, proposal, invoice, etc.) have been furnished and installed by the Participating Contractor. Installed measures along with incentives, loan, and/or subsidy stated on pages 1 and 2 herein have been explained thoroughly by the Participating Contractor, are satisfactory, and are accepted by the customer. In addition, the customer has not obtained the benefit of and will not receive any cash payment, rebate, cash bonus, sales commission, or anything from the Participating Contractor as inducement to enter into an agreement with the Participating Contractor or to proceed with work. If there is a GJGNY loan, I also agree to the terms specified in the loan agreement and authorize payment to the Participating Contractor.

Program Quality Assurance and Evaluation

Customer agrees to participate in program quality assurance and evaluation activities. The purposes of these activities are to provide the program administrators with an opportunity to ensure that the eligible measures are installed consistent with program standards, to assess energy savings and to evaluate program effectiveness. Program quality assurance and evaluation activities may include on-site visits, questionnaires, and interviews. As a value-added service, EmPower+ program participants are offered the option of having a post-completion inspection performed on their home. If you are interested in receiving this valuable, FREE service, please call 1-800-284-9069 to schedule an appointment. Availability depends upon the number of requests received.
